Scam Alert Notice

We would like to bring to your attention that several variants of Learnership Opportunity scam letters purporting to be endorsed by the MICT SETA are currently in circulation.

The scam letters instruct potential learners / unsuspecting individuals to pay money upfront in order to be accepted into a learnership programme, which the scammers utilise for their own fraudulent activities.

Please note that the MICT SETA will not request amounts to be paid upfront for any Learnership opportunity enrolment.

If you have received such emails, you are advised to terminate all further correspondence and in the event that you have already sent them funds please report it to your local police station and immediately inform the MICT SETA at info@mict.org.za or call 011 207 2600.
