

DISCLOSURE OF INTEREST FORM

The MICT SETA is committed to uphold the highest ethical standards when carrying out its business activities. Its values must be used in all operations to guide and direct the way business is conducted. One of the cornerstones of ethical behaviour is avoiding conflicts of interest.

Conflicts of interest undermine the objectivity of people when making business decisions and may result in decisions that are not in the Organisation's best interest.

This Disclosure of Interest form is in mitigation of the following legislation, codes of conduct and best practice:

1. Section 13 and 17 of the Prevention and Combating of Corrupt Activities Act 12 of 2004;
2. Principle 9.1 of the King III Code of Good Governance.
3. MICT SETA Fraud Prevention Plan;
4. MICT SETA Code of Conduct;
5. MICT SETA Whistle Blowing Policy; and
6. MICT SETA Related Party Disclosure Policy.

The Code of Conduct, Annexure 2 of the MICT SETA constitution states that a person may not be appointed on the Board unless the following disclosure is made:

"The Member, directly or indirectly, whether personally or through his or her spouse, partner or associate, has a direct or indirect financial interest in the MICT SETA; and

The Member or his/her spouse, partner or associate, holds an office in or is employed by any SETA, organisation or other body, whether corporate or incorporate, which has a direct or indirect financial interest of the nature contemplated in the paragraph above."

Furthermore as part of the Fraud Prevention Plan Policy: *"All managers will be obliged to complete a disclosure form wherein private business interests must be declared."*

I the undersigned, hereby confirm that the information disclosed is to the best of my knowledge complete, true and correct.
